Continuing Education Units

Documentation and verification of attendance at Child Passenger Safety Technician CEU sessions is your responsibility. You will find a CEU Proof of Attendance sheet on the back cover of this program. To receive credit for a CPS CEU session, please arrive at the session within 5 minutes of the session start and remain in the room until the end of the session. At the end of each session, have your attendance sheet stamped as you exit. Keep your Proof of Attendance sheet in a safe place!

= Safe Kids approved CEU

Welcome!

Thank you for your ongoing commitment to Child Passenger Safety. We are honored to have each and every one of you with us and we look forward to hearing from you throughout the conference with suggestions on how we can improve the KIDZ IN MOTION National Child Passenger Safety Conference. The planning committee works hard to create a high-quality conference that meets the educational needs of our field and industry. We hope we have provided you with ample opportunity to meet your educational and networking needs and fostered your abilities to enhance your child passenger safety efforts when you return home. Feel free to share your thoughts and suggestions with any of the planning committee members.

Please invite your colleagues to join us next year in Orlando August 16-18.
Thank you again for attending, and enjoy the conference.

Sincerely,
The Conference Planning Committee

Leadership Excellence for the 21st Century

Pat Williams
Senior Vice-President
Orlando Magic

Pat Williams is the senior vice president of the NBA's Orlando Magic. As one of America's top motivational, inspirational, and humorous speakers, he has addressed thousands of executives in organizations ranging from Fortune 500 companies and national associations to universities and non-profits. He is also the author of over 65 books, his most recent title being *Coach Wooden: The 7 Principles that Shaped His Life and Will Change Yours*.

Pat and his wife, Ruth, are the parents of 19 children, including 14 adopted from four nations, ranging in age from 25 to 38. For one year, 16 of his children were all teenagers at the same time. Pat and his family have been featured in Sports Illustrated, Readers Digest, Good Housekeeping, The Wall Street Journal, USA Today, and Focus on the Family as well as all of the major television networks.

Pat was raised in Wilmington, Delaware, earned his bachelors degree at Wake Forest University, and his master's degree at Indiana University. He is a member of the Wake Forest Sports Hall of Fame after catching for the Deacon baseball team, including the 1962 Atlantic Coast Conference Championship team. He is also a member of six other hall of fames around the country.

Advanced CPS Products for Improving Ease of Use

Jon Page

IMMI

Moderators: Jennifer Hoekstra, Vera Fullaway

Learn about new technologies that IMMI has designed into vehicle seats that drive ease of use and safety when installing child restraints. Testing of commercial child restraints and the design integration will also be discussed.

The Birth of an Infant Car Seat Program and Its Growing Pains

Kathy Waser

St. Clare Health Center

Moderator: Misty Menashe

Are you looking for the nuts and bolts you need to replicate an infant car seat program in your community? Learn how we developed our program over the past 9 years.

Energy Conservation: Using Your Trauma Center to Hit Your CPS Target

Amy Teddy

CS Mott Children's Hospital

Susan Yates

Children's Hospital Colorado

Moderator: Susan Laurence

One of the most reliable forms of CPS information is found at your local trauma center. Join us to learn how to use your admission data to set your community education priorities.

Session 2

The Hope Car Bed

Shayne Merritt

Merritt Manufacturing

Moderators: Nancy Lang, Judi Lambert

Learn about features of the Hope Car Bed as well as how to choose between an infant carrier and a car bed.

Using Social Media to Expand and Enhance CPS Education

Kecia Healy and Darren Qnell

CarSeatBlog

Moderator: Teriann Shell

The era of the virtual car seat has arrived. Increasingly, parents are turning to the internet for CPS-related information and installation concerns. Learn the benefits of using credible web-based forums and social media sites to meet the growing need for situation-specific information and advice.

FMVSS 213 Made Easy

Jon Page

IMMI

Moderators: Suzanne Grace, Jennifer Pavey

Are you concerned about what ATDs, G-forces and chest Gs are? In this session you will learn about these as well as other car seat testing factors. Handouts and resources for education CPS advocates will be provided.

Session 3

Scale to Fit: Providing Superior Occupant Fit in

Ryan Hawker

Dorel Juvenile Products

Moderators: Jennifer Huebner-Davidson, Deborah Scruggs

Learn how Dorel's efforts to redesign its child restraints for better fit. Includes an introduction to the design process that involves pediatricians and neonatal intensive care unit personnel.

The Easy Way to Fly Safe with Kids

Louise Stoll

CARES

Moderators: Selena Silva, Brenda Jones

Want to learn more about keeping kids safe on airplanes using the CARES child aviation restraint system? This presentation will include a "live" installation demonstration of the CARES restraint.

New School Bus Seats and CPS

Charles Vits

IMMI

Moderators: Amy Heinzen, Karen Lappalainen

Learn about changes in school bus seat regulations and how they will impact child passenger safety.

Session 4

Child Restraint Regulations in the US and Abroad

Emilie Crown

Montgomery County Fire and Rescue

Denise Donaldson

Safe Ride News

Moderators: Robin Butler, Susan Yates

You may be surprised at what FMVSS 213 and 225 include and don't include for CPS. Learn more in this session about our regulations and comparisons with global counterparts.

Expanding Child Passenger Safety in the Hospital Setting

Kathy Wijaya

Legacy Health System

Moderator: Sonja Revel

This workshop is for CPS technicians in the hospital setting who are interested in expanding their services. Includes discussion on merging child passenger safety services with hospital units and the populations they serve.

Grandparents, Grandchildren and Child Restraints: How Can We Make it Easier?

Judy Slattery, Daniel Furgang

Car Seat Safety People

Sue Emery

WA Safety Restraint Coalition

Empower grandparents and caregivers who have limitations, instead of overwhelming them with the one device that could save a child's life. We'll explore successful methods of CR use and installation for those with physical challenges. A drawing for free car seat!

Session 5

Side-Impact Testing with Real Life Consequences

Barry Mahal

Dorel Juvenile Products

Moderators: Barbara Birkenshaw, Leslie Stark

In this session we'll investigate different types of testing techniques used around the world. Learn how this information impacts child restraint design, and how these designs perform in the field.

The Future of Child Passenger Safety: Fee-Based Services

Debbie McCabe

Safety Basics, LLC

Moderator: Kathy Kruger

We'll discuss the pros and cons of child passenger safety fee-based services, and how the current economy is impacting services.

Boosting a Community: A "Model City" Approach to Encourage Booster Seat Use

Stephanie Tombrello

SafetyBeltSafe U.S.A.

Moderator: Boyd Tong

Learn a novel approach to increasing booster seat usage by engaging whole communities with the booster seat message.

Session 6

Ride Safe: Wheelchair Transportation Safety

Susan Johnson

Columbia Medical

Moderators: Robyn Klemm, Emilie Crown

Transportation safety for persons with disabilities who travel via wheelchairs will be presented. A review of basic principles of occupant protection, explanation of the relevant standards and recommendations for best practice, along with case examples and crash test videos will be discussed with strategies and solutions for a safe ride.

Keeping Your Car Seat Distribution Afloat

Cathy Hogan

Cardinal Glennon Children's Medical Ctr.

Moderator: Denise Donaldson

Learn about potential funding sources for a car seat distribution program. Are you crazed by storage? Enjoy direct shipping and keep everyone certified and happy! Learn it all at this session.

CPS Techs at the Manufacturer: Making a difference, Not Just a Product

Julie Vallese

Dorel Juvenile Products

Moderator: Jeff Durkee

Learn about the CPS program at Dorel and how the more than 80 active CPS technicians on staff affect the design and manufacture process. Community outreach also will be discussed.

Session 7

Special Needs CPS Loan Program: Keeping Children

Erin Durbin

Children's Hospital IL

Moderators: Noemi Duenas

Learn how one state provides a successful statewide special needs CPS loan program. From soup to nuts, you will learn it all.

Seeking Inspiration? Evaluate!

Amy Teddy

CS Mott Children's Hospital

Moderator: Ginny Hinton

Wonder if you are being effective in your CPS efforts? Feeling paralyzed with what to do next? Evaluation can inspire you to create positive growth and provide validity to your efforts. Evaluation data can also save your job. Don't wait—Evaluate!

S.A.F.E. (Seatbelts are for Everyone)

Norraine Wingfield

KS Traffic Safety Resource Center

Moderator: Beth Kindschi

Learn about the Kansas S.A.F.E. program, a cooperative effort of law enforcement, safety advocates and schools to increase teen seatbelt use through positive rewards, enforcement, and strong safety messages.
